What is a BBQ Cook-Off?

WVCCC is partnering with companies in the community to host a BBQ cooking competition. These companies will provide their best BBQ to be entered into the competition. Free samples will be provided to all who attend the event and sandwiches will be available for donations. This is a free event open to the public.

Why a BBQ Cook-Off?

WVCCC wants our community to know that there are about 18,000 children in Arizona's foster care system and what they can do to help. What better way than a free, fun competition with food.

What's in it for you?

- You'll enhance your public image
- You'll increase your employee engagement
- You'll get a stronger community

About WVCCC:

Every child in Arizona deserves a safe environment where they can thrive. That is why, since 1986, the WVCCC has provided safe placement services for children who are victims of abuse, neglect, or abandonment. Our mission is to be proactive in ending the cycle of family violence through education, prevention programs, and safe placement services to promote healthy family environments for the future of Arizona's children.
