2017 Luncheon Sponsorship Packet

Dear Community Partner,

West Valley Child Crisis Center is excited for you to join us in celebrating our story and honoring those who have been instrumental in our 30 year history of successfully providing the highest quality foster care and adoption services in the Valley. We ask that you consider sponsoring this year's event.

The Color Our Future Luncheon will be held on Friday, May 19, 2017 at the Arrowhead Country Club in Glendale Arizona, from 10:30 AM to 1:00 PM. In addition to sponsoring the luncheon, you may participate by marketing the event to your network and/or by contributing a unique item for our silent auction.

We are happy to work with you to create a relevant, personal experience that resonates with the attendees to add value while elevating your return on investment. Let's talk about how we can optimize your interaction with our more than 200 guests, even before the event begins all the way through event registration, program, and checkout.

Please contact Linda Cook at 623-297-1521 or lcook@wvccc.org if you have any questions. Thank you for choosing to support WVCCC!

On behalf of all who benefit from your charitable support, we thank you for your generosity. Together, we are helping vulnerable children and families in our communities live better, safer, and healthier lives.

With Appreciation,

Linda Cook

We cannot achieve our mission alone. As the proverb says, "It takes a village to raise a child".

ABOUT

In the 30 years since West Valley Child Crisis Center was established (since 1986), we have evolved in response to changing needs in the community. The agency was first founded to provide emergency shelter services to children ages 0-12, who had been neglected, abused or abandoned. In 2009, in partnership with the State of Arizona, WVCCC shifted focus to ensure every child who has been removed from their parents would be placed in a family-like setting. We strive to protect the best interests of the child by supporting loving families that meet the safety, social, emotional, physical, and mental health needs of the child. Today, WVCCC continues to provide safe placement services through Foster Care, Adoption, and Training Programs and has added Family Visitation and Parent Aide Programs to facilitate timely reunification or adoption. In response to current needs in the community, we will be providing Trauma Therapy to children and families through our Behavioral Health Program. Please join us in our mission, and color our future bright as we continue building a legacy of care for vulnerable children.

MISSION

WVCCC's mission is to be proactive in ending the cycle of family violence through education, prevention programs, and safe placement services to promote healthy family environments for the future of Arizona's children.

IMPACT (FY 15/16)

-  Foster Care and Adoption
 - 307 children placed in foster homes
 - 24 children adopted
 - 44 foster and adoptive home studies submitted
-  Family Reunification
 - 703 children served
 - 5946 visits completed

COLOR OUR FUTURE

As a non-profit agency, WVCCC believes in investing in the agency and staff to ensure best outcomes for Arizona's children and families. Knowing trauma exposure is prevalent in the lives of those involved in the child welfare system. WVCCC has expanded our approach by commencing implementation of The Sanctuary Model. The Sanctuary Model is a trauma-informed, evidenced-supported model for system change with a goal to improve outcomes related to recovery and healing from trauma. The model is based on four pillars - Trauma Theory, Seven Commitments, SELF (Safety, Emotions, Loss, and Future) and The Sanctuary Tool Kit. WVCCC is actively participating in becoming a Sanctuary Model certified trauma-informed site.

PROGRAMS
